

Report on the disruption of the electoral process of Polling 24 Hall II Ikpoba-Toboga ward I

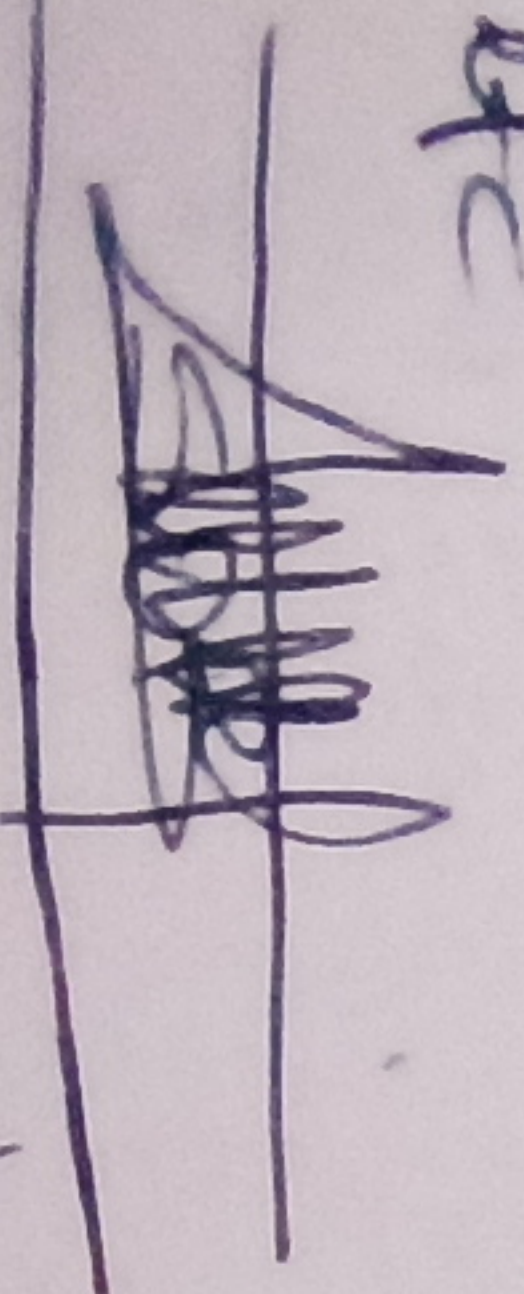

The election process started peacefully with voters carrying out their voting exercises, and the polling unit officials attending to them.

Around 2:30pm, the election or voting process was declared officially closed at the unit by the Presiding officer, and all the unused ballot papers were duly cancelled. The sorting process started immediately and when it got half way, one of the party agents (APC) got angry by the outcome of the sorting and he angrily pulled the ballot box and the table on the ground, he brought out a small hammer and started crushing the box, when the polling unit officials tried to pacify him and interrupt the destruction of the ballot box and papers, he turned on the APO I and III (that were holding the sorted papers) and attempted attacking them, immediately everyone took to their heels including the security officials. I immediately the presiding officer called the Supervising Presiding officer, and briefed him about the development, and he ordered us all to leave the unit immediately and we all did amidst the hullabaloo.

As follows: - After the riot, some properties were not found and they're

- (i) Ballot box and the used ballot papers.
- (ii) Some unused ballot papers (Already cancelled)
- (iii) Polling unit booklet
- (iv) P O stamp.
- (v) Stapler
- (vi) Binos
- (vii) Scissors
- (viii) Indelible marker.
