To the Collation Officer
Through the Supervisory Presiding officer

ELECTION REPORT FOR [illegible] WARD IN THE [illegible] LOCAL GOVERNMENT

The election of the above named unit was considered cancelled due to the total number of accredited voters was lower than the number of vote cast.

Note
Total No of Accredited voters => 64
Total No. of Vote casted => 135

Yours faithfully
Sir
Moraemy. Tolulope Joy
Presiding officer

The result of the polling unit was cancelled because the number displayed on Smart card reader was (64) was far lower than the number of accredited voters (169). The Presiding officer claimed that the card reader malfunctioned but was proved not to be correct. It was on this basis that the result was cancelled. Thanks
