Report on none use of Bius machine
(Accreditation at polling unit 003 Ufuma
ward 1

My Name is Ofianke Peace, I am
the presiding Officer of Ekeokwu union, I
was force by the agent and voters
present to use manual machine method of
accreditation.

It took an intention of some police
men, because the Bius was not capturing the
faces, they could not exercise patience then
they force me to do it manually.

Please Considered that fact that it
was not an intentional act.

Thanks
Yours faithfully
