Letter of Complaint / Report

I am hereby reporting to you on what
happen in my polling unit 014 today.

We started accreditation and when
we accredited 14 voters our BVAS,
then delete 14 voters accredited already.
It is an incident that happens
unknowingly. Now we complain to our
S.P.O, they call the person in-charge
he come and put the BVAS in order
and we started again, then we accredited
21 voters. So our total voters
accredited is now $14 + 21 = 35$ votes.

Thanks.

PO For 014
