

007 UMUOSITE VILLAGA SQUARE

There were no body that was accredited on the BVAS the number of persons that voted was 194.

Because there was bad network which was needed to the BVAS machine work.

Furthermore, we the Carpers at the polling unit were feared and we had to comply for our own Safety led to the use of the manual method of verification and speed of the process and be in the good book of the electorate.
