

PART 1

ELECTION DAY - BRIEF REPORT

In my Polling Unit ORUBU CENTRE OOS
The voters said that the Ballot Paper is incomplete
and they will not vote, so I warrant war, fight and
my life is in danger I called S.P.O and explain to him
he came and it was like nothing good is coming
out in it so they scared me with so
many things that I had to run away
for my dear life. And again the Buas didn't
work in my Polling Unit until when the S.P.O
came to my Polling Unit around 5:00pm
and it didn't still work. ~~still~~
