ELECTION REPORT AT MY POLLING UNIT

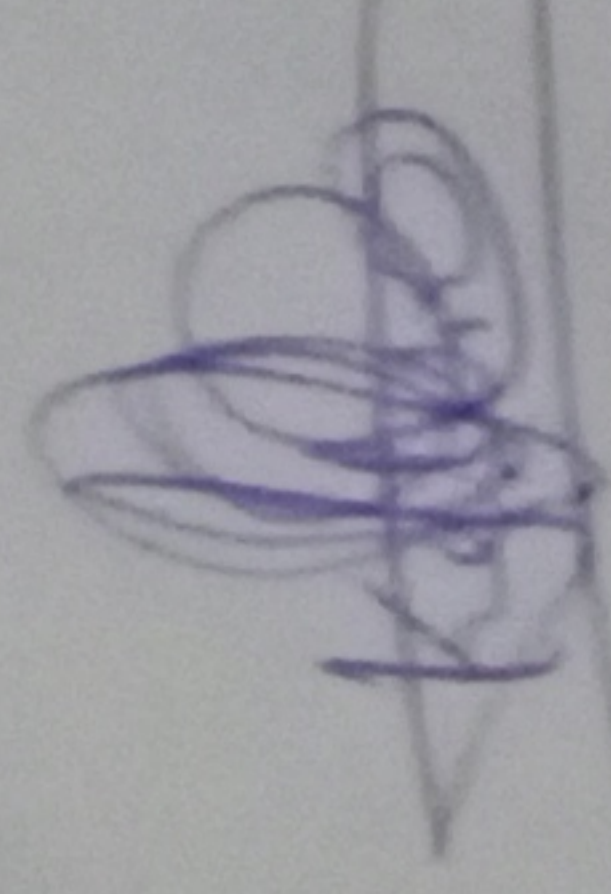

I, Alabi Samuel Mayowa with the State Code number AN/21A/4/193 and Kelvin Obidimma as the Presiding officer and assistant Presiding officer respectively at OBUWAGU AKINTI 4, SQUARE III Polling Unit.

The BUA's machine crashed, this lead to the loss of all accredited voters data captured, after several attempt to reach both the RACETECH and the SPO on a Phone Call, it all end in futility because of network failure.

This lead to a threat of life from the Voters so we relinquish to manual method to complete the electoral process at our Polling unit.
