

PART I

ELECTION DAY - BRIEF REPORT

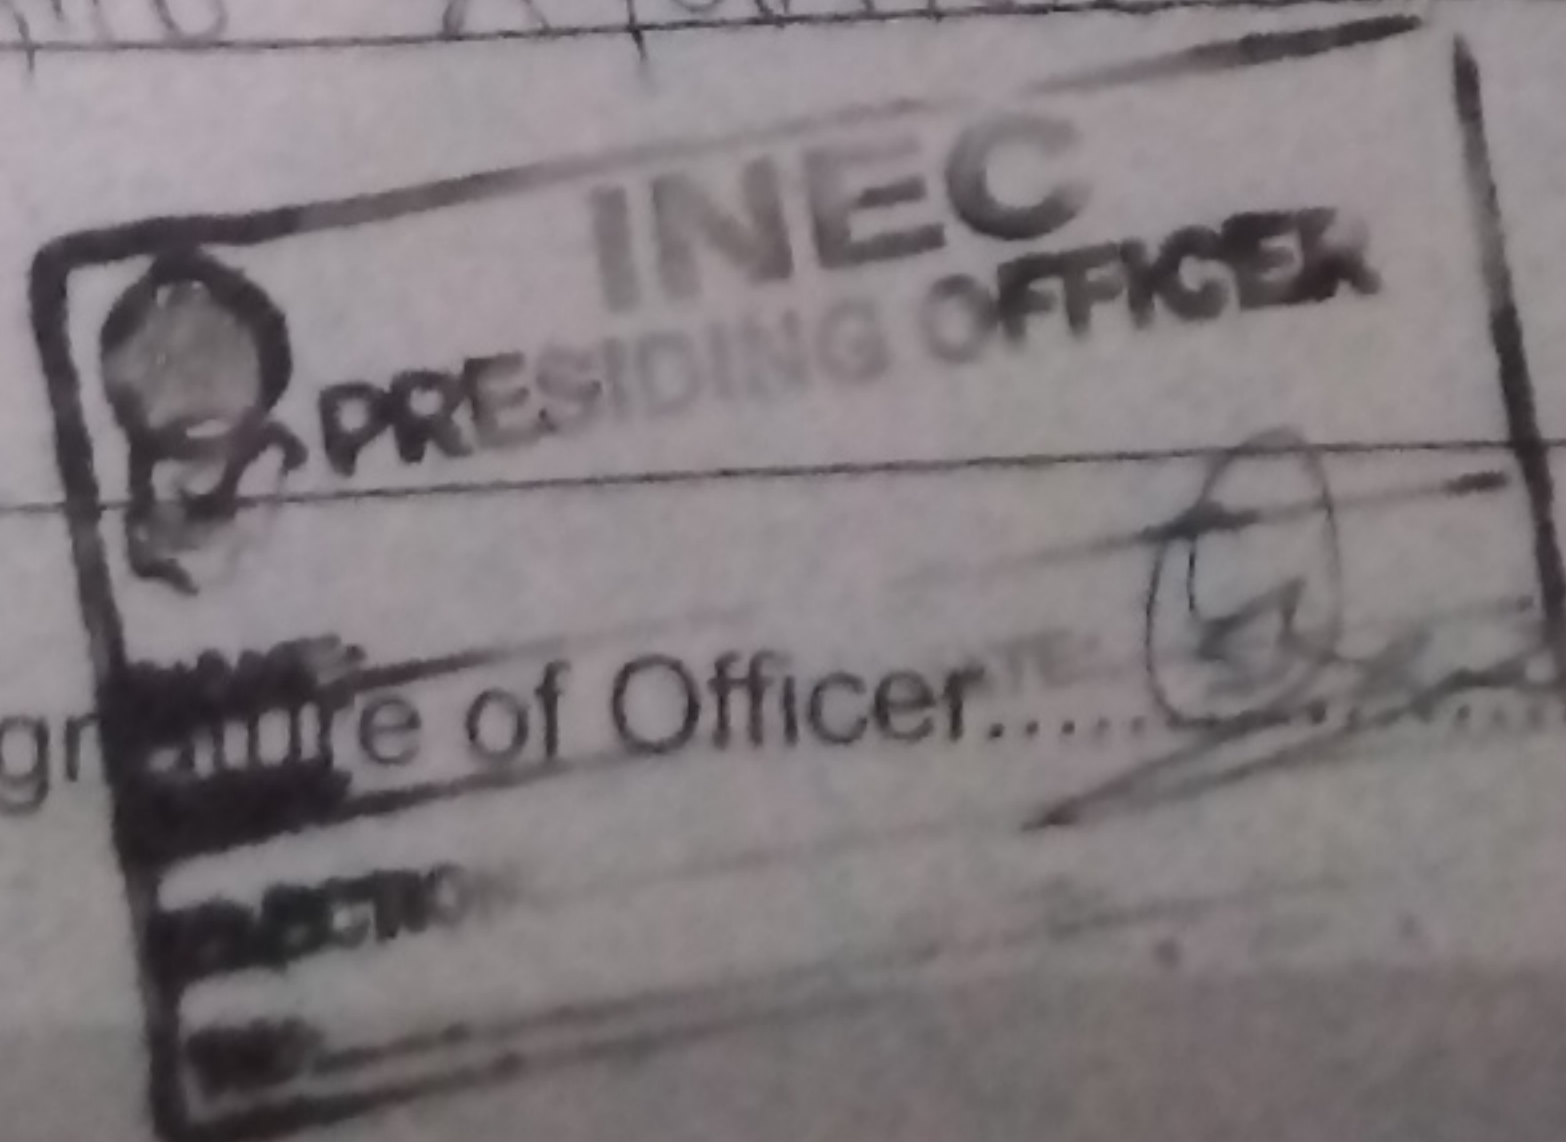

The BIVAS shot down severely and kept taking us ^{back} to the first page, that the electorate began pushing at us. The uprise of the BIVAS might be the cause of the addition of votes. Many voters were frustrated, security safety, Personal security and it was already late that we were in still in the polling unit till around 12 midnight.

Please we request you look into this issue critically and please, Consider the work my team and I have done under immense Pressure.

Thanks in anticipation
