

PART I

ELECTION DAY - BRIEF REPORT

THE REPORT OF PROCEEDINGS FOR ONE VILLAGE

POLLING UNIT (023)

The team dispatched to the aforementioned polling unit comprised of an AO, AO I, AO II and AO III. While we were preparing to get sent forth, we were dissuaded by the Authorities who affirmed that the polling unit is a "no go area" as the inhabitants had fled and confirmed reports of violence and kidnappings on the road to the said location is riddled with chaotic elements.

We were furthermore directed to move with our Nationals to the Police Station and await further instruction. We eventually returned back to our PAC with no election conducted at our polling unit.
