WARD 07, POLLING UNIT 015

PRESIDENTIAL AND NATIONAL ASSEMBLY ELECTION

REPORT

I Governor Ogbenekaro OSU, the presiding officer and Ogodo Esther, the Assistant presiding officer I in polling Unit 015 at EWHWE/OKPOLO ETEVIE HALL write with a shocked heart over the presidential and National Assembly election attacked that took place unawared during the voting process in polling unit 015.

Some group of boys came with AK-47 gun and took away our Bimodal Voter Accreditation System (BVAS) from us. On that reason there was no presidential and National Assembly election in polling unit 015. Sir as I write, am even in a hidden place in order to avoid another attacked from the group of boys.

Please Sir, Thanks for your understanding
