WARD 9, UNIT 007

I, OSUNDU O. Presiding Officer of polling unit 7 of Ward 9 in Ezeko South reporting on the conduct of the ELECTIVE OFFICE.

Having barely started polling and accrediting the registered voters, some unknown thugs of the community attacked us the polling election officers, with guns and bombs and other harmful objects, and made away with most of our election materials but the APC escaped with the Ballot box after Sensitive materials were Snatched from us. Due to the Shock, we were overcomed and assisted by some of the town persons as they were shooting that left us and voters fleeing to the nearest shed we found was not Secured so had to Safeguard our lives and kept the BVAS - Thanks
