REPORT ON WARD 9 UNIT II

The report on Ward 09 unit II in Enhwe Community in Isoko South LGA of Delta State.

In the course of the voting exercise, there happened to be breakout of violence as there was sounds of gunshots just around our voting unit.

We were chased ~~about~~ from our polling unit, and our materials scattered and we had no choice but to run for our dear lives.

After a while, we were forced under duress with a threat to life to conduct the election and also prepare the result.

In conclusion, the result has been deemed invalid.
