REPORT ON ELECTION AT POLLING UNIT 37-03-01-003

The election which held at polling unit 37-03-01-003 On the 25th of February, 2023 was obstructed by hoodlums at around 1:20pm. The hoodlums destroyed all materials at the polling unit amongst which are the ballot boxes, ballot papers, and most of the materials issued to us at the Registration Area Center.

Personal belongings such as phones, bags, Chargers, etc. were lost. Some of the officials were injured during the incident. We managed to escape with the BUAS and its box back to the Registration Area center
