REPORT ON ELECTION AT POLLING UNIT 37/03/01/022

The election which was held at polling unit 37/03/01/022 on 25th feb, 2023 was obstructed by hoodlums at around 1:20pm. The hoodlums destroyed almost all materials at the polling unit amongst which are the ballot boxes and papers, cubicles and some other material given to us at the Registration Area Center. personal belongings were lost such as phones, bags, chaneyes power banks etc, Some of the officials were injured during the incidents. with the intervention of the security we managed to escape with the BVAS and its box back to the Registration Area Center.
