Dear Sir

REPORT FOR THE CANCELLATION OF ELECTION IN KANO NORTH SENATORIAL DISTRICT AT ATAWA PRIMARY SCHOOL II (CODE 002) POLLING UNIT

I write to inform you that I received from the Presiding Officer of the above mentioned polling unit that in the course of the voting process, there was a disruption of the election. As a result, all the ballots papers for the senatorial district election at the polling unit were snatched and could not be accounted for.

However, the Polling officials at the Polling unit rescued the election materials for the Predential and House of Representatives elections.

In view of the cancellation of the Kano North senatorial district election at the Atawa Primary School II (002) Polling unit, please find attached, a completed EC 40G (PU) form and report of the Presiding officer.

Thank you.

Yours faithfully,
Engr. Ismail A.
