

ELECTION REPORT IN WARD 7 UNIT 1 ANDON, RIVERS STATE

After the accreditation and voting in the above ward and unit, the community ~~leaps~~ came from no where and took our result sheets and other materials as I am trying to interest the result in the sheet.

ATU effort made to recover the result sheet proof abortive.

I report this incident to my SPO. I only expect the result using the BVAS.

From Presiding officer Wokukom, Wilson Abenger
