

REPORT OF GOVERNORSHIP / HOUSE OF ASSEMBLY ELECTION
HELD AT IDABACHA, EKPAN I, Uvwie LGA.
P.U: 029 On 18th - March - 2023.

We assembled at the RAC Centre for the 2023
Governorship / State House Election.

We left to our polling unit at about 9AM. On
arrival, we met some voters who were ready to vote.
After setting-up, we educated them and commence voting
at 10am. We concluded at 3pm; Counting was done
immediately with APC winning with 28 and 29 votes in
the Governorship and House of assembly election respectively.
After entering the State House's result on BVAS, we were
about to upload that of the Governorship result when
we were attacked by community thugs with violence,
shooting, and other violence acts. P.U officers ran for
their lives with governorship result being destroyed.
Hence, result of governorship was not uploaded.
