TO Electoral Officer,

Sir, I, Blessing Umang, Inec Officer for the Gubernatorial (Governorship) and House of Assembly election held on Saturday (18/3/2023), as a presiding officer (PO) and Raterah write to you of the Situation Report on my Polling Unit which is Units 5 in ward 4 (Aniocha South Local Government Area).

Sir, I and my colleagues, the Assistant Presiding Officers (APOS) were all threatened to be killed and before we knew it, some thugs came and started shooting and ran away with the BYAS machine and all the electoral materials were destroyed and we were all beaten and as everywhere was scattered. Because of this election could not be completed in that polling unit.

Thank you

Blessing Umang

P.O Raterah
